Erdős, Paul

Some unsolved problems in graph theory and combinatorial analysis. (In English)

Combinat. Math. Appl., Proc. Conf. Math. Inst., Oxford 1969, 97109 (1971).

[For the entire collection see Zbl 212.30703.]

The author presents a list of 24 questions, problems, and conjectures in the areas of graph theory and combinatorics.
