Zbl 231.05002
Erdős, Paul
Problems and results in combinatorial analysis. (In English)
Combinatorics, Proc. Sympos. Pure Math. 19, 77-89 (1971).

[For the entire collection see Zbl 129.05001.] Several solved and unsolved problems are discussed on subsets, on combinatorial geometry and on Ramsey's theorem and also on combinatorial number theory.

Classification:
05-02 Research monographs (combinatorics)
00A07 Problem books
