Erdős, Paul; Sós, Vera T.

Problems and results on Ramsey-Turán type theorems. (In English)

Combinatorics, graph theory and computing, Proc. West Coast Conf., Arcata/Calif. 1979, 17-23 (1980).

[For the entire collection see Zbl 435.00002.]

The authors report on some work without proof and formulate interesting problems and conjectures. They also give a short discuss of the problems on the three uniform hypergraphs.
